Stand tall on the water aboard the Eclipse, another world’s-first watercraft from Hobie. Incredibly stable, just get on and go using MirageDrive® leg power. Soon you’ll fly high at exceptional speed, nimbly carving turns using fingertip steering controls. There’s minimal setup. Go from the car, the dock or your boat to the water in minutes. Cruise solo, with your partner or with a group. The Eclipse takes fitness out of the gym and onto the water and under the sun. The board is lightweight and durable and full of thoughtful features such as gear tie-downs and a carefree kick-up rudder. The Eclipse takes standup to a whole new level.

**Mirror Eclipse**

**Stand-up Paddleboard**

**Quick Set Handlebar and Steering Controls**

The sleek, lightweight, and durable Eclipse is equally at your command through tight twists and long straightaways. The rudder kicks up in the shallows to prevent damage; removable in moments for storage and transport. Locks into place as a tracking skeg if you choose to paddle.

**High-Strength Advanced Hull Design**

The Eclipse harnesses 65 years of Hobie boardsports heritage for its quick and stable displacement hull design. The sleek bow pierces the water, enhancing speed and glide. A square tail and flat bottom add to the board’s steady, quiet ride.

**Optional Accessories**

Protect your Eclipse with a board bag, and make transportation to and from your car to the water a breeze. The cart is available with light duty wheels or sand tires. Attachable cup holder and universal phone mount are available to keep you refreshed and ready to capture every memory.
