HOBIE KAYAKING & FISHING COLLECTION

The World’s Best-Selling Pedal Kayaks For 20 Years And Counting
Today, Hobie’s passion for the water is built into every kayak we make. Based in Oceanside, CA, Hobie is steadfast in its unwavering commitment to unsurpassed quality, expert craftsmanship and superior performance. 20 years after introducing the original MirageDrive to the world, Hobie remains the most popular and innovative pedal kayak brand on the planet. The Hobie brand continues to be synonymous with leading-edge adventure on the water.

In 1950, Hobie Alter shaped his first surfboard in his parents’ garage in Laguna Beach, California. His visionary designs challenged the limits of watersports and inspired a culture of ingenuity and craftsmanship that lives on today.

From surfboards and world-class catamarans, to revolutionary kayaks and stand-up pedalboards, Hobie is driven by a passion for delivering the most advanced, enjoyable and accessible watersport products available. The Hobie brand continues to be synonymous with leading-edge adventure on the water.

REDEFINING KAYAKING SINCE 1997

For 20 years and counting, Hobie has been the undisputed world leader in pedal-propelled kayaks, with an R&D laboratory and patent portfolio that remain second to none. Proudly handcrafted in Oceanside, CA using only the highest quality materials curated from around the world, our fleet of Premium Plus kayaks always leads the pack. Powering our revolutionary and patented MirageDrive 180 with ARC Cranks, the Premium Plus Line is powerful, efficient, stealthy, and easily adjustable. When first introduced in 1997, the MirageDrive immediately redefined the standard by which superior kayak performance is measured. Two decades and countless innovative refinements later, the MirageDrive continues to serve as the unparalleled gold standard in kayak propulsion technology. Beyond the MirageDrive, our Premium Plus kayaks are designed to be as feature-rich as they are comfortable, with our best-in-class and patented Vantage CT seat, dual steering system (on most models), and generous storage space. Additionally, our Pro Angler Series and all-new Outback come with our just released revolutionary and patent pending Guardian Retractable Transducer Shield.

There’s no denying it, the Premium Plus Line takes kayak perfection to an entirely new level.
MIRAGEDRIVE

180 A FORCE OF NATURE

In 1997 Hobie revolutionized kayaking forever. Experience 20 years of innovation perfected.

The most significant technological innovation in modern kayak history, the MirageDrive, immediately and permanently revolutionized the sport of kayaking upon its introduction in 1997. Hobie has been innovating ever since. As the unquestioned leader in pedal-propulsion for over 20 years, more kayakers have purchased a Hobie than all other pedal brands combined.

Today, the patented MirageDrive 180 with ARC Cranks sets a new standard for pedal drives, offering more versatility, speed, and simplicity than ever before, delivering seamless adjustability, dependability, and full power in both forward and reverse. Best of all, it’s completely beachable with the push of your pedal.

Its award-winning and groundbreaking fin technology powers through water with more strength, efficiency, and stealth than any other paddle, prop, or pedal on the market. The force produced by a single pedal stroke is unrivaled: pushing you forward or backward, farther, faster, and quieter with hands-free speed and maneuverability.

Let Hobie’s decades of innovation drive you toward your next adventure.

The MirageDrive 180 with ARC Cranks is featured on the Mirage Sport, Mirage Outback, Mirage Revolution® Series, Mirage Oasis®, Mirage Pro Angler Series, Mirage Island Series and Mirage Inflatable Series.

THE DESIGN ADVANTAGE

Revolutionary 180 Shifters
Instantly spin the fins from forward to reverse with a quick pull of the shifter cable. Unlike any other pedal system, the MirageDrive 180 produces full power in both directions, which enables you to easily back off the beach or away from a dock, pull fish out of cover, and hold position in swift currents.

Hands-Free Propulsion
Keep your fishing rod, camera, binoculars, or cold drink where they belong - in your hands.

Navigate Shallow Water
Fluttering the fins by using partial pedal strokes allows propulsion in very shallow water. Also, unlike propeller based pedal systems, the fins fold up flush with the hull for unrivaled clearance and easy beaching.

On-Water Debris
The natural back and forth motion of the fins shed debris and vegetation and won’t twist up and get stuck like propeller drives.

Strength and Durability
Built from the toughest components and designed to hold up to harsh environments and underwater impacts, you won’t find a tougher, better built drive.

Glide Technology
Advanced roller bearings at key friction points reduce resistance for an ultra-smooth, effortless ride.

The Click and Go System
Allows for quick and easy MirageDrive installation and removal.

Easy Maintenance
A quick rinse with fresh water is all you need once you’re done for the day.

Height Adjustable
The ARC Cranks adjust effortlessly to fit kayakers of all sizes, from children to taller adults.

Navigate Shallow Water: Fluttering the fins by using partial pedal strokes allows propulsion in very shallow water. Also, unlike propeller based pedal systems, the fins fold up flush with the hull for unrivaled clearance and easy beaching.

On-Water Debris: The natural back and forth motion of the fins shed debris and vegetation and won’t twist up and get stuck like propeller drives.

Unparalleled adjustability for the utmost comfort, a drier ride, and longer days on the water.

The patented Vantage Seat represents a pinnacle achievement in our efforts to maximize your on-water comfort, making for a luxurious ride so you spend every moment focused on your adventure and the environment around you.

Our ergonomic Vantage Seats take adjustability and breathability to a whole new level, with features and materials that provide unrivaled support and comfort for a full day on the water.

All Vantage seats provide a kick stand for an even higher Vantage point and are easy to carry ashore where they double as beach chairs.

Vantage ST and XT Seats
The Vantage ST is equipped on the Mirage Pro Angler 12 and 14, while the XT come standard on the Mirage Pro Angler 17T.

Integrated barrel adjusters easily customize the seat to the position that perfectly meets your angling needs. And for those times when the fish aren’t biting, quickly recline to relax in total comfort.

Designed for versatility, the bottom of the seat folds up quickly for extra room on the standing deck, or raise the seat an additional five inches to enjoy the optimum Vantage position. The Vantage XT offers three extra inches of height than the ST model.

The seat back is infinitely adjustable, capable of moving within a three-inch range so you can find your sweet spot.

For those times when the fish aren’t biting, quickly recline to relax in total comfort.

Our ergonomic Vantage Seats take adjustability and breathability to a whole new level, with features and materials that provide unrivaled support and comfort for a full day on the water.

Vantage CT, CTW, and CTi:
The CT is featured in all remaining rotomolded MirageDrive 180 kayaks (apart from the Outback, which boasts the wider Vantage CTW seat with 1½ extra inches for ultimate comfort).

Pull levers under your seat to quickly and easily adjust the seat’s angle of recline and height.

The seat back is infinitely adjustable, capable of moving within a three-inch range so you can find your sweet spot.

The CTi comes standard in our Inflatable Series kayaks and boasts many of the same CT features.

Unparalleled adjustability for the utmost comfort, a drier ride, and longer days on the water.

The patented Vantage Seat represents a pinnacle achievement in our efforts to maximize your on-water comfort, making for a luxurious ride so you spend every moment focused on your adventure and the environment around you.

WE ACCOMPLISHED THE IMPOSSIBLE – WE IMPROVED THE WORLD’S #1 PEDAL FISHING KAYAK TO MAKE IT TRULY LEGENDARY

With the first major redesign of the best-selling Mirage Outback in over a decade, Hobie has single-handedly advanced the sport of kayak fishing. This fully-loaded fishing machine is built for every conceivable fishing expedition, whether you’re prowling the ocean for monster gamefish or stalking bass in your favorite freshwater fishing hole. The extra-wide standing deck offers an improved casting platform and convenient vantage point for tight fishing, allowing for superior vision from above while the revolutionary Guardian Transducer Shield gives you multidimensional vision below. The new Vantage CTW seat provides extra width for unmatched room and comfort. Four molded-in rod holders, multiple deluxe H-Track mounts, and numerous high-capacity storage compartments ensure that all of your gear is at your fingertips. Powered by the MirageDrive 180 with ARC Cranks + Turbo Fins – now standard on all Outbacks – this fine-tuned angling vessel is highly versatile, fast, quiet, and exceedingly nimble. Now featuring our Kick-Up Rudder system with dual steering capabilities, combating drift and navigating tight water has never been easier.

While the classic Outback was a legend, the all-new Outback is truly legendary.

Available Colors:
Hobie took the world’s best-selling pedal kayak for the past 20 years and revolutionized it. Featuring a wider and more stable platform, a faster and quieter hull, dual steering, additional storage, and so much more. The Mirage Outback is a feature-rich platform designed for comfort, speed, stability and extreme versatility. The sleek new hull design is ultra-quiet and stable, providing a faster, smoother ride in any water condition.

The patented MirageDrive 180 with Arc Cranks + Turbo Fins powers the Outback to unrivaled speeds and provides pro-level performance in both forward and reverse. Redesigned and roomy, the 34” deck is perfect for standing and features the new, spacious Vantage CTW Seat, which is an extra 1-½ inches wide for unmatched comfort during those marathon days on the water. Multiple high-capacity storage compartments, cargo hatches, and mesh pockets provide more stowage room than you have gear for.

The H-Track Deluxe boasts a new retracting Bungee® system complete with 4 deck-side storage pockets so your gear is always secure and within reach.

Simply put, the all-new Outback redefines kayak excellence.

- MIRAGE OUTBACK
- THE NEW CLASSIC
- Hobie’s hands-free, forward-reverse pedal system is tough and time-tested. ST Turbo fins provide all the power you’ll need.
- A new, wider base and seat for increased comfort and stability.
The Revolution Series is the true combination of speed and power. The Revo’s sleek design makes them so fast and stable that no wave, wake, or wind can slow them down. The Revo 11 is an ideal mix of size, speed and maneuverability, easily transported to remote bodies of water. Of the three Revo models, the Revo 13 hits the sweet spot in terms of stability, speed, and tracking performance. Its 28.5” beam enhances stability and maximizes capacity without slowing you down, so you can hit the water with friends and always stay in the lead. The Revo 16 is the longest and fastest of the Revolution family. If you measure your days on the water by distance and speed, then the Revo 16 is the kayak for you. Every Revo comes outfitted with the industry-leading MirageDrive 180 with ARC Cranks, a highly-adjustable Vantage CT seat, ample storage space, molded-in rod holders, and a Twist and Stow Rudder.

When it comes to the Revolution family, fast is an understatement.

WHEN SPEED MATTERS MOST...

Available Colors:
The Mirage Oasis is a long and spacious tandem kayak featuring a high-performance hull with extra waterline designed to carry two passengers and their gear. The cockpit comes fully loaded with highly-adjustable Vantage CT seating, easy-access storage compartments, and more than enough elbow room for all-day comfort on the water. Three Twist and Seal hatches and a roomy bow compartment offer enough below deck storage for twice the amount of gear. Dual MirageDrive 180s with ARC Cranks power the Oasis to impressive speeds allowing you and your companion to cover long distances quickly and effortlessly. The Twist and Stow Rudder and dual steering capabilities provide enhanced tracking and maneuverability so you get superior performance on the water whether you’re with a friend or flying solo.
Powerful, transportable, and agile define the Mirage Sport. At 9’7” from bow to stern, the Sport is an impressively compact platform smartly equipped with essential features for next level performance and all-day fun. Designed for adults and kids alike, the Sport features the patented MirageDrive 180 with ARC Cranks and the patented Twist and Stow Rudder for improved tracking and portability. You’ll enjoy a smooth, nimble ride that keeps you in complete control even when water conditions get rough. Weighing in at just over 60lbs, the Sport is the perfect fit for those seeking a lightweight kayak that is easy to car top and effortless to transport to and from the water. It even comes with 2 molded-in rod holders should you need to scratch your fishing itch.

Capable and lightweight, the Sport is built to carry you and your gear on laid back day trips or adventurous weekends with ultimate ease.

These Innovative Features Make Hobie MirageDrive 180 Kayaks And Fishing Boats World-Renowned

1. MirageDrive 180 Powered
   Get you where you’re going with minimal effort. Hobie’s hands-free, forward-reverse pedal system is tough and time-tested.

2. Twist and Seal Hatch
   With clever corkscrew closures and hinged lids, these hatches provide in-hull storage.

3. Vantage Seating
   Seating doesn’t come any more comfortable than the hyper-adjustable Vantage T-Seat.

4. Rodless Mesh-Covered Stowage Pockets & Drink Holder
   Stash fishing tools, gloves, sunscreen or other items close at hand.

5. Rudder Control
   The soft handle makes fingertip steering easy.

6. Covered Bow Hatch
   Storage in spades, accessing the hull up front. Includes dual security bungee.

7. Two-Piece Paddle with Fiberglass Shaft
   Navigates even streams beneath and rocky inlets. Clips onto the hull when not needed.

8. Sail Mount
   The Hobie exclusive Sail Mount stands ready for any optional Hobie Sail Kit.

9. Fishing Rod Holders
   Two molded-in rod holders stand ready for action.

10. Covered Bow Hatch
    Storage in spades, accessing the hull up front. Includes dual security bungee.

11. Cargo Area
    This enormous Bungee covered Cargo Area has room for camping gear, tackle, or an optional H-Crate in Livewell.

12. Twist and Stow Rudder
    Retracts onto the deck for beaching, storing or shallow running.

These Innovative Features Make Hobie MirageDrive 180 Kayaks And Fishing Boats World-Renowned
WORLD-CLASS FISHING - SIMPLIFIED

Experience world-class fishing from the comfort of a brilliantly simple, high-performance and fully customizable platform. Designed from the water up, the Compass is a versatile kayak for anglers of all abilities and experience levels, ready to tackle every fishing adventure.

Forged from 20 years of pedal kayak innovation, the Mirage Compass elegantly integrates core aspects of Hobie’s most successful kayak hull designs. The extra-wide 34” hull and standing deck provide unwavering stability for confidence and control whether seated or standing. Ample cargo space and two molded-in rod holders offer quick and easy access to all your gear, so you can stay on the water all day long. Powered by the Mirage Drive with Glide Technology, the sleek bow design cuts effortlessly through waves, wake, and chop for a smooth and quiet ride in all conditions. The retractable rudder is spring loaded, offering protection from impact and allowing navigation through the gnarliest environments. Two H-Track accessory rails, plenty of storage space, and a built-in transducer cavity ready for fishfinder installation make the Mirage Compass a formidable fishing machine.

Available Colors:
MIRAGE COMPASS: RECREATION

THE PERFECT COMBINATION: HIGH-PERFORMANCE MEETS HIGH-VALUE

Versatile and approachable, the Mirage Compass is the quintessential, multi-purpose kayak. Whether enjoying a relaxing cruise on a placid lake or embarking on an invigorating ocean adventure, the Compass will always keep you on course. The hull is rock-steady and designed to deliver a smooth, confident ride in all conditions. The Kick-Up Rudder system protects itself from underwater objects while the Tracking Skeg allows for precise handling and tracking, whether pedaling or paddling. Outfitted with the MirageDrive with Glide Technology, the sleek bow effortlessly cuts through water and offers premium performance, stability, and speed to anyone seated in its ultra-comfortable and breathable mesh seat. Two H-Track accessory mounts enable easy customization while a large cargo area and bow storage give easy access to additional supplies. Built to satisfy even the most discriminating adventurers, the Mirage Compass is the perfect all-around kayak for any water excursion.
Searching for an elegantly simple yet highly customizable tandem kayak for on-water adventures with family, friends, and pets? Look no further than the brand new Mirage Compass Duo, the latest addition to Hobie’s lineup of award-winning pedal kayaks. Powered by dual MirageDrive units, Glide Technology, the Duo’s sleek hull design maximizes speed and stability, while greatly reducing drag. The cockpit features comfortable, ergonomic seating, 4 Integrated H-Tracks for accessory mounting, and abundant above and below deck storage compartments to house gear for two. The sleek waterline and Kick-Up Rudder system make for an impressively nimble tandem kayak that’s highly responsive, easy to steer and extremely durable. The roomy Compass Duo is simple to use and adventure-ready, making it the ideal choice for water outings with adults, tikes, and furry companions!
Constructed from breathable mesh fabric and adjustable for added comfort. Mounted at an ideal height for fishing, there's room for tackle storage underneath. Easily removable for use on shore.

Since their inception, Hobie’s Pro Angler kayaks represent the ultimate fishing platform for professional anglers worldwide. For those who can tie knots in their sleep and catch bait fish with their bare hands, Pro Anglers deliver kayak fishing nirvana. The Pro Angler series comes fully loaded with the most thoughtfully designed performance features available on the water today.

Spacious and stable, Pro Anglers allow for copious gear storage with a massive front hatch and spacious trunk area, horizontal rod holders, integrated tackle storage and Hobie H-Rail for mounting any accessory imaginable. The Vantage seat provides a comfortable perch, while the massive deck space makes fishing a cinch while standing. All PAs feature the proprietary Guardian Retractable Transducer Shield, and are propelled by the award-winning MirageDrive 180 with ARC Cranks + Turbo Fins, delivering unmatched speed, power, maneuverability, and stealth.

Pro Angler 12

Focusing all options available on the PA 14, the PA 12 is a bit more manageable when size is a factor. The adjustable Vantage ST seat and extra-wide hull keep you uber comfortable and confident on the water, even when conditions get rough. Its standing deck features stain-resistant EVA padding for maximum traction, durability, and sound-proofing.

THE ULTIMATE FISHING MACHINE

MIRAGE PRO ANGLER 14

The PA 14 is the true flagship of Hobie’s fishing fleet, dominating the water, fresh and salt. For discerning anglers who demand it all - room, stability, performance, stealth, comfort, and features – the PA 14 stands alone in the world of kayak fishing. With maximum stability, precise tracking, loads of cargo space, and more features than we can list, this kayak is a bucket-list item for every die-hard angler. Its wide, rock-solid standing platform comes decked out with stain resistant and noise reducing EVA traction pads. The PA 14 features Hobie’s award-winning MirageDrive 180 with ARC Cranks + Turbo Fins, adjustable Vantage ST seat, dual steering, Guardian Retractable Transducer Shield and an extra-wide beam so you stay comfortable and confident when making tough casts, battling the elements or fighting fish from a standing position.

Available Colors:

Pro Angler 14
MIRAGE PRO ANGLER 17T

The PA 17T is the ideal tandem fishing kayak for guides and anglers who enjoy hitting the water with a buddy. Multiple seating positions, including “social” where anglers can face each other, make this dynamic platform ideal for multi-person excursions. The cockpit comes equipped with comfortable Vantage XT seating, two MirageDrive 180 pedal systems with ARC Cranks + Turbo Fins, and a standing area with plenty of leg and elbow room for two. Multiple high-capacity storage compartments, cargo hatches, and mesh pockets are located above and below deck, offering tons of stowage room for all of your gear and tackle.

After 10 years, the PA 17 is still in a league of its own for those looking to share the ultimate fishing experience with family and friends.
There's no need to drill holes when rigging a Pro Angler. Twelve-sided Hobie H-Rail bars hold a variety of accessories including Tackle Bins, Rod Racks, Cup Holders, Rod Holders and Mounting Plates. Stash extra gear – there's plenty of room.

Keep your fishing rod where it needs to be – in your hands – with Hobie's forward-reverse pedal system. Take comfort to a new level with back, bottom, and BOA®-set lumbar support. Vantage Seating is removable to use on shore.

Pivoting Tackle Management System. Slide your tackle trays right into the PA series with ease. Feature an integrated track system, gear tie-down points, plier holder and knife slot.

Mounting Boards. Vertical rod holders are ideally angled for trolling. There's room for an optional H-Crate, Livewell or whatever else you need to tote. A pair of nearby vertical rod holders are ideally angled for trolling. Slide those rods into the mounts for improved course keeping. Retract for maneuverability.

Guardian Retractable Transducer Shield protects transducer on impact and retracts away for transport. Hobie H-Bar is a sturdy leaning post and grab rail for stand-up fishing. Compatible with H-Rail accessories.

H-Bar. The Hobie H-Bar is a sturdy leaning post and grab rail for stand-up fishing. Compatible with H-Rail accessories.
Hobie’s inflatable kayaks are portable, lightweight, and durable, striking the perfect balance between superior performance and portability. Whether traveling by automobile, airplane, or boat, your inflatable will be an easily transportable companion during your journey.

The i9 is the most compact of the inflatable series, making it an ideal recreational craft for easy transportation and for those with very limited storage space. The i11 is versatile and low-profile making it an excellent choice for people who appreciate the perks of an inflatable kayak, yet still want all the capabilities of a high-performance fishing platform. Spacious and stable, the i12 is the ultimate single-person recreational inflatable offering even more speed and stability than the i11 while still holding its own for some looking for a tandem inflatable. Hobie designed the i14T: a high-performance inflatable kayak built for two that offers the perfect balance of stability and speed.

Each kayak in the Inflatable Series features our patented MirageDrive 180 with ARC Cranks, Vantage CTi seating with loads of adjustability and lumbar support, travel bag with portable hand pump, and drop-stitch flooring for high-pressure inflation, rugged durability, and structural rigidity.

Available Colors:

(Moss/Smoke in Inflatable 11 Only)  Inflatable 9  Inflatable 11  Inflatable 12  Inflatable 14
The 1000 Denier PVC Hull is built tough to provide years of fun. This method of construction allows for much higher inflation pressures. Thousands of tiny threads connect the top and bottom layers of the floor, providing remarkable structural rigidity and increased performance.

An Easy-Load Rolling Travel Bag that allows easy transportation and storage of the folded-up kayak, Cup Holders, and a high capacity piston Hand Pump. Options include a Plug-in Cart for easy transportation, adhesive iAccessory Mounts, Rod Holders, and other fittings. Check our Parts and Accessories Catalog for the full selection.

State-of-the-art Vantage CTi Seating offers multiple points of adjustment and the comfort of breathable mesh. It can even be used as a beach chair.

Intuitive and efficient, Hobie’s MirageDrive 180 shifts propulsion from forward to reverse at a whim. Engage or disengage the retractable rudder system by pulling one of the T-shaped control handles.

Covered Locking Valves lock into the pump for easier inflation and lock into open position for quick deflation.

All Inflatable Kits Include:
- An Easy-Load Rolling Travel Bag that allows easy transportation and storage of the folded-up kayaks, Cup Holders, and a high capacity piston Hand Pump.
- Optional Accessories
  - Options include a Plug-in Cart for easy transportation, iAccessory Mounts, Rod Holders, and other fittings. Check our Parts and Accessories Catalog for the full selection.
Often praised as the best sailboat available, the Mirage Island Series offers a unique way to sail by combining the power of the pedal with the force of the wind. Designed for superior speed and performance, the Islands deliver the most exciting on-water experience imaginable from an approachable, easy-to-learn platform. Built for sailors of any size and experience level, they offer an unmatched experience for those seeking fun family outings as well as adventurers looking to push the limits of man and craft.

Available in both single and tandem versions, these sailboats are simple to launch and beach, making it easy to get started but hard to want to stop.

Providing a powerful yet user-friendly ride, the sail wraps easily around the carbon composite mast, making it simple to unfurl, trim and furl in all conditions.

The Kick-Up Centerboard is fully retractable and improves tracking performance while under sail.

The durable Ama Outriggers provide the Islands with confidence-inspiring stability.

Outfitted with the MirageDrive 180, the Island Series is truly adventure-ready, offering unrivaled power in both forward and reverse.

Available Colors:
- Timeless Design & Hobie Innovation
The Hobie Lanai is a lightweight, easy to use paddle kayak with performance-grade features for a faster, smoother ride. The 9’ waterline and 30” beam is as stable as it is fast so you feel in complete control on any adventure. At 50 lbs fully rigged, it’s lightweight and transportable making it perfect for smaller paddlers, yet adjustable to accommodate taller users.

**Mirage Paddle Kayaks**

**LANAI**

The Quest Series is Hobie’s swift and powerful performance paddle line. Nimble and quiet, the Quest 11 is shorter and lighter making it easy to maneuver and impressively stealthy. The Quest 13 offers all the same features as the Quest 11 plus the comfortable Vantage CT seat and adjustable foot braces, but kicks it up a notch in speed, tracking, and cargo space.

**Kona & Odyssey**

The Kona is Hobie’s ultimate crossover tandem paddle kayak designed for one or two riders and endless adventures. The molded center seat and extra-wide beam keep the Kona responsive and stable in all conditions. The Odyssey is a sleek and powerful tandem kayak capable of superior speeds and tracking performance. Both tandems feature adjustable padded seating, two Twist and Seal hatches, and mesh stowage pockets for keeping your essential items within reach.
For More Kayaking Parts & Accessories Visit Hobie.com

For the ultimate experience add a soft cover, additional fittings and a storage bag. Comes with two-piece mast, a 20.25 ft² sail, lines, carrying handles that double as a mounting platform. Hobie's H-Crates keep your tackle and other gear organized in one easy-to-reach space. Both models of the H-Crate are easily removable, incorporate four vertical rod holders or any H-Rail accessory in our line to concealment, heavy-duty straps for attaching it to the kayak and a carrying handle for easy transport.

LiveWell V2
The perfect storage unit for any kayak. Features an 8” Twist and Seal hatch for access and bait holding. An 8” twist and seal hatch for access and bait holding, removable tank partitions for keeping bait healthy, integrated rod holders, a threaded drain plug, easily integrates with all H-Rail accessories for easy customization. It folds up when you need it and away when you don’t. The aluminum extrusion is strong and lightweight for leaning against or holding on to while entering/exiting the boat or pulling yourself up from a seated position.

Adjustable H-Bar
Standing support for kayaks! The adjustable H-Bar mounts on the H-Rail and provides a sturdy foundation for foot pedals while the user is standing. It functions as a conventional stakeout pole or shallow water anchor without having to manually deploy it. With Power-Pole’s signature strong hold, the Micro functions as a conventional stakeout pole or shallow water anchor giving you a smooth stop in seconds. It gives you a smooth stop in seconds.
